REACH Compliance Certification

The products supplied by Green Belting Industries Limited, Greenbelt Industries Inc., Mapelli S.r.l., and Biscor Limited are defined as articles under European Community Regulation No. 1907/2006, more commonly known as REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals).

Based upon information provided to us by our upstream suppliers and to the best of our ability, we hereby certify that the materials we supply to our customers do not contain any of the REACH Substances of Very High Concern (SVHC), according to the Authorization list published by ECHA (European Chemical Agency) on June 20, 2016.

Furthermore none of the components of PTFE Group of Companies' products are intentionally released during the use of our products when used as intended and in accordance with recommended specifications and parameters.
